

Milton Abbot, Chillaton and Kelly Neighbourhood Plan

Bradstone|Chillaton|Dunterton|Kelly|Meadwell|MiltonAbbot|Quither

MACK PLAN

Version 14

In 2014, after local public consultation, the Borough Council agreed that an area which includes Milton Abbot, Chillaton and Kelly should be covered by a neighbourhood development plan [MACKPlan].

Its plans and policies must be taken into account by the Borough Council when deciding on planning applications and the Government sees plans like this as an important part of giving local residents real influence over what happens in their area.

A group of local people [the MACKPlan team] are preparing the plan and would now like you to complete the enclosed questionnaire, so that you have a say in what this area will be like in the future.

You can find out more about MACKPlan at www.mackplan.org.uk or by calling the team on 01822 860378.

As well as your views, we would like to know something about you and any other occupants of your home, so that an accurate picture of demand for local housing and other services can help decide what our local planning policies should be.

However, you will not be asked to provide the MACKPlan team with information that identifies who you are.

All completed questionnaires received by ?????? 2017 will be entered in a free prize draw with the winner receiving £50!

Once you have completed the relevant parts of the questionnaire, please use the pre-paid self-addressed envelope to send it and, if you wish, your prize draw slip [see below] to the Parish Clerk of Milton Abbot Grouped Parish Council, even if you live in the area of Kelly Parish Meeting.

The Clerk will make the draw at a Parish Council meeting and publicise who won; only the questionnaires will be passed to the MACKPlan team.

What happens next? Details of the next stages in the MACKPlan process are at the end of the questionnaire.

£50 Prize Draw Entry
