

**Milton Abbot Grouped Parish Council
Retaining Wall Quotations**

Additional information has been received with regards to the submission of Quote B. This company has since met with Cllr Anderson to review their quotation and the work required to make the wall safe.

Following this visit they have advised that they believe there is only an issue with a 15m length of wall as marked on the location map sent with requests for quotes, a revised quotation has therefore been submitted which includes fees for the closure of the road.

TO;
Clerk
Milton Abbot Parish Council.
